

Angels Flying

The Kelly Family

I Can't Hold My Tears Now
I Can't Hold Them Back
Maybe She'll Come Back
Come Back To Me

Those Beautiful Eyes
Those Beautiful Smiles
They're Like Sugar And Honey
I Was Wrong She Was Right
You Are An Angel
You Are An Angel

If You See, Angels Flying
Wave Goodbye
If You See, Angels Flying
Wave Goodbye

Can't Hold My Tears Back
We're Too Far Apart
Maybe She'll Come Back
Come Back To Me

Those Beautiful Eyes
Those Beautiful Smiles
They're Like Sugar And Honey
I Was Lost Now I'm Found
Please Forgive Me
You Are An Angel

If You See, Angels Flying
Wave Goodbye
If You See, Angels Flying
Wave Goodbye (5x)

Those Beautiful Eyes
Those Beautiful Smiles
They're Like Sugar And Honey
I Was Wrong She Was Right
You Are An Angel
