

Baby

The Kelly Family

What's a baby worth, a little baby
What can a baby be? More than we can see

What's a baby worth, a little baby
What can one baby be? More than we can see

What is bigger and stronger,
and the role and grace in all the citizens,
help us, play it away

What's a baby worth, a little baby
What can a baby be? More than we can see

What's a baby worth, a little baby
What can one baby do/be? More than we can dream

What can we be worth, one little you and me
What can all of us do? More than we can dream

What can we be worth, one little you and me
What can all of us do? More than we can dream
More than we can dream
