

# Calling Heaven

The Kelly Family

I'm waiting for my visit  
They'll fill this room with flowers and all  
They'll put on their biggest smile  
But only for a while

If only I could help it  
If only mercy'd be on my side  
I wouldn't have to die  
And my family wouldn't cry

But the pain is getting  
Far too strong  
The medicine won't hold it for long  
It's getting closer  
So I'm waiting for someone to come  
To come and take my soul where it  
Belongs  
But no one's coming, no one...

So I'm calling heaven now  
Calling heaven now  
I'm calling heaven's hand  
So heaven help

I try to find the answer  
I try to find the reason why I  
I'm leaving them all behind  
But there's something that I will find

The blood's still running through my heart  
My hairs are slowly falling apart  
And I just can't take it  
So I'm waiting for someone to come  
To come and take my soul where it belongs  
But no one's coming, no one...

So I'm calling heaven now  
Calling heaven now  
I'm calling heaven's hand  
So heaven help

I see it in their faces  
They know I will be leaving tonight  
But somewhere down the line  
I'm sure we'll meet again
