

Babe I've got the doubts
if you could honey
withstand my pride,
loving me means
sticking in through blows
a can't seem to let things
go just another freak
controlling girl
that's duo being a passion fool
baba babe babe babe

respecting me
could be your basic tool
but loving is the best
of all the navigation systems
wake up kid shake there skills
did you put on your seat belt
babe there ain't no loving
without crashing
oh honey I ain't no need of one
of those mama boys
baba babe babe babe

are you couragesless...
