

Cover the road

The Kelly Family

1. You might say you're pretty,
You might say you're free.
Life may be so easy
Life may be so free.

R: Cover the road
Cover the road
Till the end of time.

2. You might say you're ugly
You might say you're chained.
Life may be so dreary
Life may be a shame.

R: Cover the road...

Love is a highway
You're sitting on the wheel
You decide the speed.

Here is the easy
And there is the hard way.
It's either one.

R: Cover the road...

3. You might say you're ugly
You might say you're chained.
It's inside your heart lady
Where the battle is won.

R: Cover the road...

Cover the road
I can see the road to cover

Cover the road
I want you to cover the road with me

Till the end of time.

R: Cover the road...
