The Kelly Family

Hey little pigeon where are you coming from You flew across the sky and know You're in my hometown
Hey little pigeon here's where
You're flying to
Take this letter to her house
By the riverside, riverside

I feel love when I look
I can't wait I'm really should
I feel love when I look into your eyes

You searched for my treasure
Over the atlantic sky
Did she get my message right
Did she love or cry
Hey little pigeon Oh if you only knew
The things I'd do to fly with you
To hear her reply, her reply

I feel love when I look
I can't wait I'm really should
I feel love when I look into your eyes

When I look into your eyes When I look it feels so nice When I look into your eyes
