

It's dark in the morning a cup of coffee
Steps in a guy and you're thinking good bye
Say you will drive and the more you're sure that
You're on a high you lead your gangster way

Heho, oh uh oh oh oh oh
Heho, oh uh oh oh oh oh

The peperoni and brother Toni
And with that Mama Magarita with the tasty touch
But maccaroni can stop the loney
And make spaghetti like a legend
With the tasty touch, yeah

Heho, oh uh oh oh oh oh
Heho, oh uh oh oh oh oh

Everybody's going a one-way street
Everybody, you're not to save
Everybody's going a one-way street
Everybody, you're not to save

The peperoni is not a pony
It's not a tent that's how it's got to be
The maccaroni with brother Toni
And with that Mama Magarita with the tasty touch

Heho, oh uh oh oh oh oh
Heho, oh uh oh oh oh oh

Everybody's going a one-way street
Everybody, you're not to save (you're not to save)
Everybody's going a one-way street
Everybody, you're not to save (you're not to save)

The peperoni is not a pony
It's not a tent that's how it's got to be
The maccaroni with brother Toni
And with that Mama Magarita with the tasty touch

Heho, oh uh oh oh oh oh
Heho, oh uh oh oh oh oh
Heho, oh uh oh oh oh oh (oh yeah) (yeah yeah)
Heho, oh uh oh oh oh oh (oh yeah) (yeah yeah) ..
