

Oh, Jonny

The Kelly Family

Oh Johnny
Won't you come back to me, to me
Oh Johnny
Won't you come back to me, to me
Oh Johnny

I don't forget that she was singing
I was a child screaming for her love
She said to me "No my baby
Don't you worry, it'll be all right"

All her voices said "Son, alright
Keep on singing" she said
All her voices said "Son, alright
Keep on singing" she said

She said to me: "Do your duties
Don't you worry it'll be all right"
Then came an angel big white to me
Don't you worry it will be all right

All her voices said "Son, alright
Keep on singing" she said
All her voices said "Son, alright
Keep on singing" she said

Oh Johnny
Won't you come back to me, to me
Oh Johnny
Won't you come back to me, to me
Oh Johnny

Oh Johnny
Won't you come back to me, to me
(Oh oh oh oh oh oh) oh Johnny (yeah yeah)
Won't you come back (won't you come back, come back)
To me (to me), to me
Oh Johnny

Yeah, oh, oh Johnny
