For a cup of coffe  
`cause my body feels a kind a cold  
And i hear the boulevard  
I now he bered five years old  
I used to go wacko with my friends  
We`d do any little thing  
Just to check in a little cash  
All i want is one more freaking dollar  
All all i want is one more freaking dollar  
And next side they what they need  
And all my family we wack like do a rich party  
No when we meet at last for one milting stinky trash  
Now watch what you`re about to give to me

Help me out i know that you can  
Anything is better then nothing

There`s always nothing
