

# One More Song

The Kelly Family

Holding back all my trouble  
that accumulated over time  
and now I can't seem to define  
you and I were like brothers  
we stuck together in hard times  
but now it all seems  
to decline I've written

One more song  
before everything goes wrong  
one more song  
for keeping us going on  
come on now

One more song  
before everything goes wrong  
one more song  
for keeping us going on

All the noise and all the trouble  
might have made us lose our mind  
when all we need is just a little time

ride on ride on ride on ride on  
ride on into the sun  
ride on ride on ride on ride on  
ride on into the sun

When you're young life is easy  
but then the table turns around  
and then you seem to realize I'll sing you  
and on and on oh yeah
