

## Santa Maria

The Kelly Family

1. To the sky, to the mountain,  
To the river, to the valley,  
To my hometown, to my country,  
To the place where I was born.

2. To my mother, to my father,  
To my sisters and my brothers  
To my friends and myself  
And to those I love so well.

R: Santa Maria  
Prega per noi! (2x)

3. To the world and the people  
In their crisis in their pains,  
For the children of tomorrow,  
For the wars that never end.

R: Santa Maria  
Prega per noi! (2x)

4. To the sky, to the mountain,  
To the river, to the valley,  
To my hometown, to my country,  
To the place where I was born.

5. To the heroes that we need today,  
To the lonely with noone to cry,  
To the mothers this source of life,  
To this world in so much pain.
