

# Streets Of Love

The Kelly Family

Dit moi quel est ton amour  
Aha, yeah (hey listen)  
Yo, listen up!  
Heyo, yo-dan, yo-dan.. What every  
(How many times did he say that)  
Well listen up (how did he say that)  
Make a sign to me when I've to start singing  
One, two (the sign)

Walk with style fake that smile  
Everybody's feeling happy  
Think champagne drink propain  
The white guys think they own the world now  
Buy my face buy my line  
Everybody's selling bullshit  
Your big fat tie don't make me shy  
Listen body take it easy

Streets of love - everybody needs some lovin'  
Streets of love - there's more to line than you big brain, boy yeah  
Streets of love - everybody's got a toilet  
Streets of love - everybody needs somebody, yeah

I don't know Angelo (dab, dab, dab,...)  
I don't see what you see  
(Well then take your sun glasses)

Feel that scream don't life your dream  
Life is real it ain't no TV  
Cool men cries cold heart dies  
Everybody's like a baby  
Look that child he gives that smile  
Take my there were I can love you  
Rise and shine don't you hide  
Everybody come together

Streets of love - everybody bla bla bla bla  
Streets of love - that's the road that I've been searching, yeah  
Streets of love - everybody's got a monkey  
Streets of love - everybody needs somebody, yeah

Bab bab, dididididid...

Dit moi quel est ton amour  
Et je te dire qui tu es

Come together

Streets of love - everybody bla bla bla bla  
Streets of love - there's more to line than you big brain, boy yeah  
Streets of love - everybody's got a toilet  
Streets of love - listen buddy take it easy  
Streets of love - everybody needs somebody, yeah  
Streets of love - 'cause we was made for lovin' buddy  
Streets of love - everybody la la la la  
Streets of love - everybody take it easy, yeah

Do this aha yeah
