

Sweetest Angel

The Kelly Family

I'll send her a rose and I wonder
Will she cry or will she smile
Darling, don't let me down
Don't get some other one
'cause I'm for you

You're my sweetest angel, you go to my heart
You're my sweetest angel, you've got the touch to my heart
Baby, yeah

I took her hand and she smiled
Darling, I feel true love
Damn it! I won't...
Damn it! I won't let you down
'cause I'm for you

You're my sweetest angel, you go to my heart
You're my sweetest angel, you've got the touch to my heart
Baby, yeah

I only need my little room
A mirror and a brush
Don't forget the nicest pillowcase

You're my sweetest angel, you go to my heart
You're my sweetest angel, you've got the touch to my heart
Baby, yeah
