

Wasting All My Time

The Kelly Family

Living in a love affair
Get a little love for free
Maybe he's a millionare
Or maybe he just to wanna be

Say you're not fair now
Say you're not fair now

Lady in the fashion fair
Don't tell me what you got for me
If love is just a thing you wear
Then tell me what'll set you free

Hey, I'm not scared now
Hey, I'm not scared now

Wastin' all my time with you
Losing all my faith it's true
You taking all my love with you

Everybody's running scared
Dream about a family
And just in case you're not aware
This is generation need

Say I'm not scared now
Say I'm not scared now

Wastin' all my time with you
Losing all my faith it's true
You taking all my love with you

Wastin' all my time with you
Losing all my faith it's true
You taking all my love with you

Wasting precious life it's true
You're taking all my love with you
Take it all use it all
For you I do it all
I do it all again for you just for you
