

Why Don't You Go

The Kelly Family

The love we had was so nice
I feel so terribly sorry
And now I'm paying the price
I'm just so terribly sorry

Why does it hurt me so bad
I only learn when I'm burning
And now it's making me sad
Cause I know you're not returning. So

Why don't you go, why don't you go
If you have to live your life
I'll let you go, I'll let you go
If you have to live your life

Look how far we have come
It all seems so unnecessary
Before the pain there was fun
And there was nothing to worry

Some things are hard to understand
Like the reasons for your departure
With no destination no plan
But I know if you stayed it'd be harder. All right now

Why don't you go, why don't you go
If you have to live your life
I'll let you go, I'll let you go
If you have to live your life

Dogs bark louder, trees grow stronger
When there's peace at mind
Oh the ocean waters will be calmer now

So look how far we have come
I feel so terribly sorry
And I put it down on a song
So I can erase the memories. Everybody now

Why don't you go, why don't you go
If you have to live your life
I'll let you go, I'll let you go
If you have to live your life

The ocean waters will be calmer now
