

You Belong To Me

The Kelly Family

If you please if you want
Won't you take me in your arms
If you care, you really care for me
Why haven't you taken me in your arms.

You belong to me
Don't you know, how rare this is
You belong to me
Don't you now oh babe

Are you saying that I made it all up
I'm loosing my self-esteem
Am I ever going to see you again
I'm loosing my confidence

You're passing by (passing by) you're leaving me behind (leaving me behind)
All my dreams now up the sky
Why not me is it her cause
You should have told me long ago

You belong to me
Don't you know how rare it is
You belong to me
Don't you know what it is

Don't you know that you're tearing my soul
How far do you want to go
But I'll get up and walk on and on
I'm a different woman now

You belong to me ...

Am I ever going find you out there
I'm loosing my confidence.
