

Where Do I Go Now

Kelly Joe Phelps

Where Do I Go Now

Walk for a hundred miles
Got me A thousand more to go
I walk a hundred miles
Got a thousand more to go
I can't quit my walking
It's about the only thing I know

Got up this morning
Bones are aching and tired
Got up this morning
My bones are aching and tired
The devil he just looked at me
He looked up and smiled

Where do I go now?
Where do I go now?
Where do I go now?
Where do I go now?

Carry me somebody
Cause I don't think I can go myself
Carry me, somebody
Cause I don't think I can go myself
I'll fall down by the wayside
Covered in emptiness

Tell my family
I be dead and gone
Tell my family
I be dead and gone
Ain't that the way of the pilgrim
He's always moving on

Where do I go now?
Where do I go now?
Where do I go now?
Where do I go now?
