

Secret Lover

Kelly Osbourne

Who are you talkin' to baby
It's been a long, long while
And was she worth it though baby
She don't got my style
Where you going to lover
And is she going with you
Everybody's been clued in
They know what you do

Wa-oh everybody wants to take a ride
Wa-oh but it seems sometimes you're on
My mind

Secret lover, boy, my secret lover boy
Secret lover, boy, my secret lover

Where you runnin' to honey
I think i'd like to know
Did you see yourself baby
On my tv show
Did i embarrass you honey
You where my john doe
It doesn't seem like you loved me
And i don't care to know

Wa-oh everybody wants to take a ride
Wa-oh but it seems sometimes you're on
My mind

Secret lover, boy, my secret lover boy
Secret lover, boy, my secret lover

I want the world
I want the whole world
I want to lock it up all in my pocket
It's my bar of chocolate
Secret lover, boy, my secret lover boy
Secret lover, boy, my secret lover
Secret lover, boy, my secret lover boy
Secret lover, boy, my secret lover, boy
