

# Shut Up

Kelly Osbourne

You say,  
I should do it differently.  
I don't,  
Necessarily agree.  
Stand up!  
Sit down!  
Be nice!  
Did ya hear me ask for your advice?

Don't bother,  
Trying to tell me your beliefs.  
Don't want to,  
Know which way it's good to be.  
Do this!  
Do that!  
On track!  
Do me a favor and don't talk back!

Round and round,  
But the conversation always ends where it began.  
Round and round,  
And I need a vacation.  
My god,  
I've had it from you!

Shut up!  
Don't want to hear your voice.  
Shut up!  
I'm sick of all the noise.  
There's nothing you can say to me,  
So get away from me.  
Shut up!

Blah Blah, Blah Blah, Blah Blah, Blah Blah.

That's what,  
It sounds like you said to me.  
You nag and you brag and I gag,  
There's so much beauty in what we have.

You must,  
Have better things that you can do.  
Or just,  
Love all around me too.  
What you want,  
What I need.  
Oh please!  
I think you get off,  
On hearing yourself speak.

Round and round,  
But the conversation always ends where it began.  
Round and round,  
And I need a vacation.  
My god,  
I've had it from you!

Shut up!  
Don't want to hear your voice.  
Shut up!  
I'm sick of all the noise.  
There's nothing you can say to me,  
So get away from me.  
Shut up!

Don't want to be polite.  
It's messed up,  
How you always think you're right.  
There's nothing you can say,  
That's gonna change the way I am.  
Shut up!
