

Friend Of Mine

Kelly Price

Yeah, Kelly.

You there?

Now listen baby I got you message

I'm just confused I don't understand everything, but I'm on my way over there to you

Now you stay on the phone and tell me everything that went down

See I was the one who picked her up when so called friends let her down

Uh-huh

And I was the one who took her in when that fool put her out,

A true friend in deed

You see I was there when shit was going down

But she betrayed me

I caught her with him coming in from outta town

Tell me why?

Why?

I wanna know

Why, baby?

Now I put my trust in him

I can't believe he slept with her behind my back

I went out on a limb

I even covered up to keep his thing in tact

What he had in me was something real that's so hard to come about

But he betrayed me

There was a photo and some laundry that I found

Tell me

Why?

I put all my trust in you baby

She was my best friend, oh, yeah,

Oh, yeah, roll with me through thick and thin

My homie, my homie

Sisters to the very end and I can't believe it,

Can't believe it oh no, no,

You were everything to me,

Everything to me baby,

I lock the door

It's history oh

Now you gotta go

You could've had everything,

But I can't believe it, can't believe it

No, no, no, no, no, Kelly P., ummm hmn

Why?

Why?

Yeah, ummmmm-hmmmm

Can't believe it, can't believe it

Kelly, let me call him up

No, no, no

Oh why

And just talk to him

It's nothing to say, 'cause it's too late

I know it, but it's just the principle of the whole thang,

I'm your godfather and I can't stand for no one to hurt you baby,
So just call him up

No, I don't wanna, I don't wanna
No, I don't wanna, I don't wanna

Call him babe
Uh-unngh
Call him
I'm calling, I'm calling, I'm calling

Hello? Who's this?
This is Mister Bigg
How you doing Mister Bigg?
What the hell is going on?
What you mean "What's going wrong"?
Kelly's telling me that you're sleeping wit another woman
Just because she sees me with her doesn't mean I sleeping with her
Well, if you not sleeping with her what the hell you doing with her?
Damn, I could be just talking to her
Or you could be just sleeping with her. Now son, man to man, we both know th
e game
Yeah, but what's that?
...Wait a minute, now you know all about heartache and pain.
This is my god daughter and I'm just trying to protect her heart (don't wast
e your time).
You may have been a moon to her, but to me she's a star (why, why, why).
Kelly, take this phone...
She was my best friend.
You were my husband.
Oh, but I don't want you no, no, no more
Said I don't want you no, no, no, no more

Why? [until fade]
