

# I Can't Hide

Kelly Price

I got a secret  
It's here in my heart  
And I can't even tell my friends.  
How much I adore you  
I'm fallin' apart  
I got to kept it deep within.  
The way that I love you  
I can't even say I promise not to  
Tell a soul  
It won't last too long, a feeling so strong  
And I can't hide the way.

I can't hide the way I'm feeling inside  
The pain is killing me  
Cause I want to let the world know  
It's you I'm lovin'  
I can't hide the way I'm feeling inside  
The pain is killin me  
Cause I want to let the world know its you I'm lovin'.

It's something so special, this thing that we share  
So why can't we just let it go  
It's easy to see  
Can they know that we should be as one.  
It's out in the open  
Our cover is blown and I don't care who really knows  
I need to be with you  
Can't take it no more, cause baby i need you.

Lovin you feels so right, (lovin you feels so right)  
I don't want to have to live a lie (i don't want to lie)  
The way you touch, the way you kiss drives me out of my mind  
(I'll never love)  
Boy I've never loved this way before baby  
So I've given you the keys to my door  
With every touch I want you more  
Don't want to let my feelings show  
I can't hide.

I'm not afraid to let my feelings show  
I can't hide them no more (no More)  
Cause no matter what they say  
It's never gone to change the way that I feel for you  
Cause boy I love (I love you)
