

# I Know Who Holds Tomorrow

Kelly Price

Why don't we just do this?  
Play that song that ma used to like  
To hear me sing in church all the time  
That's the one

I don't know  
About tomorrow  
I just live from day to day  
And I don't borrow from its sunshine  
For its skies may turn to gray  
And I don't worry about my future  
For I know what Jesus said  
And today He walks beside me  
For He knows what lies ahead  
Many things about tomorrow  
I don't seem to under-understand  
But I, I know, I know, I know who holds tomorrow  
And I know who holds, who holds my hand  
Oh yeah, yeah, yes, hey, yes  
Who holds my hand
