

Soul Of A Woman (Interlude)

Kelly Price

I need healing....

- I need a healing for my soul
So give me a healing for my soul

I need healing

Hello?
Kelly?

Just for my soul
I need healing
Yeah, yeah

Hello
Kelly, please don't hang up
Look, I don't have time for this, alright?
Listen, I've heard everything you said today
I don't understand what it is you need from me
Just, please....
Let me come by so we can talk?
Whatever

Just for my soul

I must be crazy
What was I thinkin'?
I should have just told him he couldn't come
I won't open the door when he gets here
That's all
I just won't open the door
He knows I'm here though
Oh God
I'm just so tired of this

Alright, alright, alright
Damn, I thought you wasn't gonna let me in, sweetheart
You almost thought right
How'd you get here so fast anyway?
What'd you do, fly?
Why you always gotta be so sarcastic towards me, sweetheart?
Listen, I didn't come here to argue
I didn't come here to fuss or fight
I came here to make things right
I want you to know that I understand what I did
And I wanna make things better between me and you
How you figure you can do that?
Well, I can start by saying that I love you
I mean, ah.....
I've heard that before
I don't know what to say, um, this is....
I know I did so many things wrong, but..
I don't believe you
I, I love you, I really do
Can you take me back, please?
Take me back
I love you, I want you back

I miss what we had, me and you, I ...
I can't eat, I can't sleep
Baby, please, please
I'll die tryin', baby
I, I love you, please, please
I wanna heal your soul
At least I can help
Baby, please
I don't know, I don't know
Please, please, I love you
I don't know, I don't know
Baby, please, I love you
I want you, I miss you
I don't know, I need some time
Time, baby? I need YOU

[Repeat 1 until fade]
