

The Lullaby

Kelly Price

Hello

It's after nine o'clock you should be in bed already

I miss you

I love you baby

I hear you calling for me

Sometimes you cry in your sleep

Cause you don't understand why

I can't be with you tonight

But baby close your eyes

And try to sleep for awhile

You'll hold the pillow tonight

But soon I'll be by your side

I know you wonder if I

Know how you're feeling inside

So many things on your mind

Too much to think for a child

But baby close your eyes

(Close your eyes)

And try to sleep for awhile

(Oh)

I know you want me right now

But I'll be home tomorrow

I know you said not to worry

Cause you'll be home in a hurry

But I just wanted to tell you

How much I really do miss you

Let me tell you, you're always

On my mind, on my mind

I hear you calling for me

Sometimes I cry in my sleep

Although I understand why

I can't be with you tonight, oh

So I'll just close my eyes

I'll try to sleep for awhile, hmm

I hold my pillow real tight, baby, baby

Cause soon I'll be by your side

Backgrounds

Cause I love you

I'm gonna try not to worry

Really miss you

I'm coming home in a hurry

Coming home soon

But I just wanted to tell you

Gonna hold you

How much I really do miss you

So baby close your eyes

And try to sleep for awhile
You'll hold your pillow tonight
But soon I'll be by your side

So baby close your eyes
And try to sleep for awhile
You'll hold your pillow tonight
But soon I'll be by your side
