Whatcha Gon Do

Whatcha gon' do when you find out That I been cheatin' on you, And everything that you done to me boy I've been doin to you boy?

You've had your fun You've played your game But I'm not gon' cry 'Cause gone are those days You'll never know You'll never see It's comin' back to you So tell me whatcha gon' do?

And so I creep trying to find The things that I need Body, soul and mind So long stayed true But I need love too What goes around comes around So tell me whatcha gonna do?

Are you gonna wonder where I've been What I've done, who he is? Say your prayers, are you scared? Or do you even care? Are we gonna try and work it out Start again or will you doubt We can win, make it new So whatcha gonna do??
