

You Make Me Feel

Kelly Price

I Found A Love So Real
It Fills My Head Right Down To My Heels
Never Thought That I'd Ever Feel This Way
My Love Please Stay

Move My Clouds And Gave Me The Sun
There's No Doubt That You Are The One
Made My World Complete And Now I See How Love
Should Be--- And I Like

Like How You Make Me Feel
The Way You Make Me Feel
It's Too Good To Be Real

Happy Days 'cause Now I Have You
Pain Erased I'm No Longer Blue
Filled My Empty Space With Love So True
I Never Knew I'm In Love & I Can't Deny
Found Someone Who Makes Me Smile
Butterflies Inside
This Feels So Right
You've Changed My Life

Every Single Part Of Me
Loves Everything You Do To Me
Don't Ever Go Away
Baby Always Stay
Boy You Know It's True
I Like The Things You Do
