

ICE

Kelly Rowland

You're like ice
I-C-E, feels so nice
Scorching me, you're so hot hot
Baby your love is so hot hot

Pull up, she been purring like a kitten
Preyin' your love
I've been counting on the days you been gone
A little too long, patient
Knowing exactly what it is
It lasts, time, and now
When you, come and lay between at this time
Take the ice cube (boy you know what)
Sit it right below my nable
And watch what I do
And that's my favorite angle
My legs are numb now
Your loving be giving me chills

You're like ice
I-C-E, feels so nice
Scorching me, you're so hot hot
Baby your love is so hot hot

You put the pillow (right there)
Underneath my back
Got me up against the window (right now)
We got no shame we going i
He hates it when I use my hands
He got me saying, 'damn my man knows what he's doing'
The mirrors, the mirrors
Up on the ceiling, got things so visual, so visual
Babe I ain't never feel so right yeah
He comes again my body going numb
Hot as ice, can't get enough

You're like ice
I-C-E, feels so nice
Scorching me, you're so hot hot
Baby your love is so hot hot

Uh, ice, ice baby
Shake that ass just like dice baby
You hoy and am tunechi
I beat the cat, animal cruelty
I'm colder than your man
He should be your ex now
Throw that ass back like we playing pitch and catch right
And all your hear is what's my name, it's yolo
Sweet tooth roll tussy
If you are what you eat i'm sop
I'm skating on thin ice
I put in hole, we do it til we both exhausted
Twin pipes, pillow under her stomach
The other pillow she wipe
Would you like anything
Cause i'll do anything you like

I make her freeze up
Pick her knees up, she want a maid
Watch me clean up, I know where to put it
I put it in her life
I leave that p-ssy smoking
Smoking like ice
..Tunechi, Young mula babyy, yeah

You're like ice
I-C-E, feels so nice
Scorching me, you're so hot hot
Baby your love is so hot hot

You're like ice
I-C-E, feels so nice
Scorching me, you're so hot hot
Baby your love is so hot hot
