

Interlude

Kelly Rowland

I never thought that we would break up for the better
Should've never made the promises to each other
So many things I should've said that you didn't know
Comin' in from a past with a heavy load

But I knew that you were a good man
Gave me love, you were faithful, it showed on my hand
I know there are questions in your mind you don't understand
Through the words of this song, I wanna answer them
