# Keep It Between Us

**Kelly Rowland**

They say true love
Is enough
Forever, forever
Then I stay here
In your arms
Forever, forever

Not a thing in this world, I won't give up
Can't live in this world if I'm not next to you, to you, to you
Just a plane old girl, I don't need nothing
They say I got it all, but they don't know that all is you, is you

So don't give your love away, away, away, away ohwaho, ohwah
And I won't give my love away, away, away, away ohwaho, ohwah
We just keep it between us
We just keep it between us
We just keep it between us
We just keep it between us

Can't see myself
With no one else
No never, no never
I can make it through

The words with you
So what ever, So what ever

Not a thing in this world, I wont give up
Can't live in this world if I'm not next to you, to you

So don't give your love away, away, away, away ohwaho, ohwah
And I won't give my love away, away, away, away ohwaho, ohwah
We just keep it between us
We just keep it between us
We just keep it between us
We just keep it between us

Know that I won't ever hurt ya
And I don't think nobody else deserve ya
And I don't think I can say
Nobody else here with me
Promise to love ya and cherish and nurture
When the time is right we can take futher
Long as I know that you are here to stay
And that you won't give your love away

(Don't give your love)away,(Don't give your love) away,(Don't give yo
ur love) away, (Don't give your love)away(no no don't give away) ohwa
ho, ohwah
And I won't give my love away,(Don't give your love) away, (Don't giv
e your love)away, (Don't give your love)away(no no don't give away)
ohwaho, ohwah
