Kelly Rowland

Ladies and gentlemen  
Kelly's back

Told you all I was gonna bump like this  
You all didn't think that I could bump like this  
Said I told you all I was gonna bump like this (uh-uh)  
Turn around then I make it jump like this (Ladies)  
You wanna keep that boy that make it jump like this  
You all didn't think that I could make it bump like this  
See I told you all you all was gonna jump like this  
How you not gonna know it when it hits like this

Ladies, drama, leave it - home  
If he ain't got it right by now scratch him - off  
They just called me  
Said it's about - twenty strong  
They standing at the door don't wanna take us - on  
The ring let it go 'bout three months ago  
The pain the stressin'  
Ain't in me no more  
The girl that they used to know - done changed  
Now they sayin' Ms. before they mention my name

Told you all I was gonna bump like this  
you all didn't think that I could bump like this  
Said I told you all I was gonna bump like this (uh-uh)  
Turn around then I make it jump like this (Ladies)  
You wanna keep that boy that make it jump like this  
you all didn't think that I could make it bump like this  
See I told you all you all was gonna jump like this  
How you not gonna know it when it hits like this

See satellite 664  
Came up real slow  
Put a good game on me  
Told him partner don't get too close  
So comfortable 'cause the quick ain't for me  
Got my girls all here  
With me so spare me please all your personal info  
I ain't thinking about love  
I just wanna get it up  
Pop a bottle talk a lot of bullsh and let's  
Let's go

Told you all I was gonna bump like this  
you all didn't think that I could bump like this  
Said I told you all I was gonna bump like this (uht-uh)  
Turn around then I make it jump like this (Ladies)  
You wanna keep that boy that make it jump like this  
you all didn't think that I could make it bump like this  
See I told you all you all was gonna jump like this  
How you not gonna know it  
Wait a minute mutha...

Oooh  
Tonight ain't feeling no (stress)  
To my girls that's lookin' their best (oooo)

Won't you go and show it off for us (yeah)  
Ladies go and throw yo hands up (up)  
And if he's all in your head  
Just forget all the thangs that he said (uh)  
Girl this is yours (uh)  
Do whatever you want to (uh)  
(yo, yo) Ladies go and throw yo hands up

Hear these words out my mouth now  
Tell you how it's going down  
Kelly E-v-e we comin' through and got 'em bowin' down  
Ladies can you feel it  
It's an athemn you can bounce around  
Give you just a second take ya breath...(draws breath)  
Bring it back now  
Dudes get excited  
Seein' what they like  
Hopin' they the one you choose  
Hope they get invited  
Late night rendezvous is alright  
But we lovin' how the club vibratin'  
It's enticin'  
Let the beat knock  
Trust me we ain't gonna stop  
Here 'til the light's up  
Watch us take over the spot  
Few mad looks from the chicks you know  
And from them dudes who be jealous of a chick with dough  
Pop another bottle for them  
Keep my life movin'  
No time for the drama  
Watch me blow through them  
I know I sound confident  
I'm s'posed to though  
Do it big  
How we live  
Kelly told you so  
C'mon

Now I told you all I was gonna bump like this  
you all didn't think that I could bump like this  
Said I told you all I was gonna bump like this  
Turn around then I make it jump like this (All my ladies)  
You wanna keep that boy that make it jump like this (uh-uh)  
you all didn't think that I could make it bump like this (uh-uh)  
See I told you all you all was gonna jump like this  
How you not gonna know it when it hit like this  
(How you not gonna know it when it... hit like this)
