i met this guy
he was always on the floor
but he's dancing by himself
i don't know why
cuz he's lookin' hot to death
so i
began to think
if i go out on the floor
there's a chance he'll notice me
and when he did
it was poppin' sweet

we can get out on the floor but take it slow baby, won't you keep it right there yeah, we can take it there boy i don't really care it's all good with me

we can bounce up in the club or kick it in ya truck long as it's sittin on doves, it's love cuz we ain't gotta go no where let's get it crunk tonight

i must admit
that i'm not so bold when it
comes to other guys
i ain't goin trip
first for everything
and i hope that this
is a thing i won't regret
when morning comes
when the party ends
is it gonna be you and me?

boy if the fleeling's right we can rock all night for sure don't you know that boy, when the clock strikes 2 i'm gonna be with you for sure

it's past 12 o'clock
and i'm trying to put it on lock
makin' sure the party don't stop
bottles stay popped
think i'm feelin' what you got (all night)

it's past 12 o'clock
and i'm trying to keep it on lock
won't you come and dance with me
then we'll see
if you're gonna be with me

no coincidence two distant hearts on a map both goin no where fast both late for an appointment, they end up together in a city cab they share a fare and some friendly conversation that's no coincidence, that's love

she scrambles through her purse he rushed in through the front lookin for change, there's a joke box in the back of the restaurant they start to dance til this day they're still dancing that's no coincidence that's love

it's amazing, it's perfection
how each little bitty star makes up one big constellation of people
getting connected
it's truly heaven sent, it's evident
that love is no coincidence

he snapped a photograph
she took a sonogram
she didn't tell him he shipped off to war in a foreign land
left home a soldier but came back a father
that's no coincidence that's love

somebody crashed her car he's got a failing heart one thing can save them an operation neither can afford but through visitation, two families get acquainted that's no coincidence that's love

how we intertwine is divine (extraordinary) open your eyes and you'll find (it's involuntary) seasons have reasons for changing (so that everybody) can find love, lose love, find love again
