

## Simply Deep

Kelly Rowland

Is anybody home in there?  
I unexpectedly dropped by your heart  
I simply wanted you to hear  
The cry of my love's never ending start  
Impossibly escaping you  
And circumstances never stand a chance  
So intrigued by the things you do

Through my eyes I vision you  
Your love protects my every move  
And my life sways to your heart beats  
My everlasting love is simply deep

Each second spent is timeless  
When I'm with you, time seems to take a rest  
No routines ever lay with us  
'Cause everything is new, when you're in love  
So delighted that you feel the same  
You say with me you're never liable to pain  
Never love another again

Through my eyes I vision you  
Your love protects my every move  
And my life sways to your heart beats  
My everlasting love is simply deep

As I lay you in the midst of ongoing creation  
Me as a whole, can only think of you  
And you breathe the air that surrounds the every move I run  
And I never sleep, without endless dream  
Of love so simple deep  
Between you and me!

Through my eyes I vision you  
Your love protects my every move  
And my life sways to your heart beats  
My everlasting love is simply deep  
Through my eyes I vision you  
Your love protects my every move  
And my life sways to your heart beats  
My everlasting love is simply deep

So simply deep, oohh-ooo
