

# Still in Love with My Ex

Kelly Rowland

Ex (Yeah)

Ex (Kelly and Yung Texxus)

Ex (Yeah)

I never thought that we would break up for the better  
Should've never made the promises to each other  
So many things I should've said that you didn't know  
Coming in from a past with a heavy load

But I knew that you were a good man  
Give me love, you were faithful - It showed on my hand  
I know there are questions in your mind you don't understand  
Through the words of this song, I wanna answer them

Honesty (Check)

Conversation (Check)

A shoulder I can lean on anytime I'm feeling stressed (Check)

Good loving (Yes)

The perfect soldier (Yes)

Was about to say "I do," when I know it wasn't meant

So I

Search in my mind, trying to figure it out  
And thought I was happy but I'm having some doubts  
Think I found the answer and I know I must confess  
I'm still in love with my ex  
And I wasn't ready when I said that I loved you  
And in my heart, I know that I gotta tell you  
I shouldn't have gone from a situation to the next  
I'm still in love with my ex

Every moment that I stayed, I dug a deeper hole  
I was with you but my heart wouldn't let him go  
All my family told me, "Kelly he's the one for you"  
I know your family love me and I love them too

(I'm so sorry) I'm so sorry for the pain I put you through  
But you shouldn't have to suffer cause I'm confused  
So much for looking forward to future plans  
Lost the love of my life and I lost a friend

Good to me (Yes)

Security (Yes)

You were all the things I wanted

Checking everything (Check, check)

You were comforting (Yes)

Romantic man (Yes)

How could I have said "I do," when I knew it wasn't meant

So I

Search in my mind, trying to figure it out  
And thought I was happy but I'm having some doubts  
Think I found the answer and I know I must confess  
I'm still in love with my ex  
And I wasn't ready when I said that I loved you  
And in my heart, I know that I gotta tell you  
I shouldn't have gone from a situation to the next

I'm still in love with my ex

Silence

(I don't know why you're telling me all this now)

I've gotta own this

I've gotta own this game

(Yeah, I ain't the one you chose)

I can't believe I'm saying this..

Saying sorry is the hardest part

(Yeah.. aye, it's Yung Texxus)

From make-up's to break-up's

His and her Jacob's

Mi amore got issues galore, sure

We was all good-good, and it was all good-good

Now I'm reading old love letters (Damn)

My homies looking at me like, "You know better"

But I'm reminiscing so I had to consider

Did she go hard for me? (Yes)

Take a charge for me? (Yes)

Turn her head when them other hoes was callin' me? (Yes)

I can't lie, when she left she took a part of me

Part of me want her back but part of me can't pardon she (Nope)

Call it foolish pride but shit, who am I?

I made my mistakes, tossed my dirt to the side

Er'time we meet I see the hurt in her eyes

Cause I'm an ex-friend, ex-homey, ex-lover

So stop the phone calls, voicemails, etc.

Shawty keep the ring, forget the day I ever met ya

Search in my mind, trying to figure it out

And thought I was happy but I'm having some doubts

Think I found the answer and I know I must confess

I'm still in love with my ex

And I wasn't ready when I said that I loved you

And in my heart, I know that I gotta tell you

I shouldn't have gone from a situation to the next

I'm still in love with my ex
