If I didn't look back and I changed my name Would I find my new life exactly the same?

I'm lookin' at an empty future that I already blame

And I don't want to think about it But I don't want this pain to last And I, I, Well I'm fadin' fast

I've put it all behind me

Just to have it one day find me

And now I'm just this far from gone, hey

And so I'm leavin' here on every cent
That I could borrow
Lord only knows just where I'll be tomorrow

And I don't want to think about it But I don't want this pain to last And I, I, Well I'm fadin'

I don't want to think about it
But I don't want this pain to last
And I, I, I, well I'm fadin' fast
Yeah, I, I, I, well I'm fadin' fast
