

# Square Pegs

Kelsea Ballerini

La da da da da da da da da  
La da da da da da da da da

What if we were all the same?  
Same rules, same game  
And we weren't allowed to change anything about anything  
That anybody's ever done before?  
Wouldn't that be boring?

Always spinning on a ride, all walking on a line  
That they drew a long time ago...  
When you know that you don't have to go where they go  
You can go write your own story

(Hey!) hey, you gotta be  
Who you oughta be  
So who do you wanna be?  
Oh-oh-oh-oh

You can choose if you're bad, if you're good  
If you're left or right, speak in your heart or speak in your mind  
You can be what they say, you can be a cliché  
You can tear up the box, and throw it away  
Everybody gotta be themselves  
Everybody gotta dream out loud  
Everybody gotta be themselves  
Square pegs make the world go 'round

La da da da da da da da da  
La da da da da da da da da

La da da da da da da da da

There's a lot of open doors, you can go and explore  
You can always open more if you're hitting a wall  
Dropping the ball, haven't we all  
Been down that same hallway?  
So let 'em talk and whisper, let 'em try to fix ya  
Repaint your picture, at the end of the day  
It fits in your frame, just 'cause you're different don't mean you're crazy

Hey, hey, you gotta sing  
Like nobody's listening  
'Cause somebody's listening, yeah  
Oh

You can choose if you're bad, if you're good  
If you're left or right, speak in your heart or speak in your mind  
You can be what they say, you can be a cliché  
You can tear up the box, and throw it away  
Everybody gotta be themselves  
Everybody gotta dream out loud  
Everybody gotta be themselves  
Square pegs make the world go 'round

They make the world go 'round

Hey, hey, you gotta be  
Who you oughta be  
So who do you wanna be?  
Whoa, oh

You can choose if you're bad, if you're good  
If you're left or right, speak in your heart or speak in your mind  
You can be what they say, you can be a cliché  
You can tear up the box, and throw it away  
Everybody gotta be themselves  
Everybody gotta dream out loud  
Everybody gotta be themselves  
Square pegs make the world go 'round

Hey, you gotta be  
Who you wanna be, so  
Who do you wanna be?  
Square pegs make the world go 'round

Hey, you gotta be  
Who you wanna be, so  
Who do you wanna be?  
Square pegs make the world go 'round
