

# Underage

Kelsea Ballerini

Young,  
All we ever think about is fun  
All we ever wanna be is 21  
Hey, doesn't everyone wanna sit on top of the world?  
Revolves around athletic boys and girls  
Dressed up in their older sister's clothes, R. Kelly on the radio  
Screaming out, "This'll never get old"

Racing cars and breaking hearts  
First taste of love and twist-off wine  
Kissing strangers, daring danger  
Burning bridges, crossing lines  
You don't think to take it slow  
And you don't know what you don't know  
The nights are young and our IDs are fake  
Underage  
Underage

Time,  
Feels like it's always on our side  
So we fill it up with midnight drives and lies  
To your mama when she asks you where you've been  
And you hide your smile and say anywhere but with him  
'Cause you know when she was seventeen  
She was doing the same damn thing

Racing cars and breaking hearts  
First taste of love and twist-off wine  
Kissing strangers, daring danger  
Burning bridges, crossing lines  
You don't think to take it slow  
And you don't know what you don't know  
The nights are young and our IDs are fake  
Underage  
Underage

Every light is saying "go"  
When you don't know what you don't know

Racing cars and breaking hearts  
First taste of love and twist-off wine  
Kissing strangers, daring danger  
Burning bridges, crossing lines  
You don't think to take it slow  
And you don't know what you don't know  
The nights are young and our IDs are fake  
The kind of days that are "those were the days"  
Underage  
Underage

Young,  
All we ever think about is fun  
Doesn't everyone?
