

A Mother's Love

Kem

In a mother's love
You'll find
Everything
Everything's alright
To a mother's love
You are bound
You can rest
On sacred ground
In a mother's love
You are free
To dream
Because she sees
What you can be
In a mother's love
You see the sun
Enough for two
but you are one
In a mother's love
You can feel
When something hurts
You can heal
Yes a mother's love
Is real
You grow

Because she knows
To let you go

yeah... Mama
Mother's Love
Mother's Love yeah
Alright
Mama, Mama, Mama
Mama, Mama, Mama, Ma
yeah
A mother's love
A mother's love
yeh
alright
and a mother's love
nevers lies
she believes you can fly
will hold her mind

A mother's love
