In a mother's love You'll find Everything Everything's alright To a mother's love You are bound You can rest On sacred ground In a mother's love You are free To dream Because she sees What you can be In a mother's love You see the sun Enough for two but you are one In a mother's love You can feel When something hurts You can heal Yes a mother's love Is real You grow

Because she knows To let you go

yeah... Mama
Mother's Love
Mother's Love yeah
Alright
Mama, Mama, Mama
Mama, Mama, Mama, Ma
yeah
A mother's love
A mother's love
yeh
alright
and a mother's love
nevers lies
she believes you can fly
will hold her mind

A mother's love
