

I Can't Stop Loving You

Kem

I think about the day I met the perfect stranger, I think about us.
And I think about the day I got wrapped around your fingers, I think about u
s.

The sun was shinning on you
The lord was smiling on me
And love was calling us I had my mind made up.

And I can't stop loving you
I can't help myself
And I can't get over you
No matter what I tell myself baby.

Never thought I'd ever love any one else in my weakness, I think about us.
And I think about the day you left without speaking, I think about us.
I think about the love we had for our children, I think about us.
I think about the way we laughed without a reason, I think about us girl.
There will be no more lies
Somebody tell me why I feel like I'm dying.
Lord what's come over me
Ohh baby can't you see

That I can't stop loving you
I can't help myself
And I can't get over you
No matter what I tell myself baby
Yea Yea
I can't stop loving you (stop loving you girl)
No matter how hard I try
And I can't get over you baby
And I don't know why

I think about us
Oooooohh, baby.
I can't get over you!
Oh yea, baby.
Mmmmmmm, Girl.
What am I gonna do?
Oooooooh, baby.
I think about - the love we had.
I think about the way you laugh.
Mmmmm, girl, hey - hey.
I can't get over you!

I can't stop missing you baby,
I can't stop wanting you baby,
I can't stop loving you
GIRL-erl-erl
Hey-hey-hey-hey-hey-hey-hey
I CAN'T GET OVER YOU!!!

I can't stop missing you girl,
I can't stop feeling you girl.
I can't stop thinking bout you!
I can't stop dreaming bout you
I can't stop loving you girl.
