

## Matter Of Time

Kem

Matter of time  
It's a matter of time [adlib]  
How can we be more like your brother  
He was tall thin and fine  
The head of his class yeah yeah  
And everybody liked him hey  
He'd spent his whole life chasing heaven  
But never seemed to find it  
'Cause heaven resides right here  
On the inside yeah  
And people go from bad to good in just  
The blink of an eye oh yeah  
If they can go from bad to good I guess  
Then so can I hmm yeah  
It's a matter of time  
It's a matter of time yeah [adlib]

He'd take us downtown to the mission  
Over on Mack and Third  
To hear some of the strangest sounds  
We'd ever heard yeah  
He'd say that bad things they happen  
But it's all divine please  
Don't let this crazy cruel world  
Make you blind  
Cause people go from bad to good in just  
The blink of an eye oh yeah  
If they can go from bad to good I guess  
Then so can I hmm yeah  
It's a matter of time  
It's a matter of time  
It's a matter of time [adlib]  
It's a matter of time [adlib]  
It's a matter time before I

Find my way home  
It's a matter of time before I get it together  
It's a matter of time

Boys and girls  
It's a matter of time [adlib]  
A matter of time  
It's a matter time yeah sweet time yeah [adlib out]
