

You're On My Mind

Kem

I come running back to you
And lay it all on the line
Cause ain't nothing left to lose
Talking bout a love of a lifetime
And we pride ourselves enough
We can believe our life
Baby love is on the run
Girl don't you know
That you can't hide

We can find our way babe
I need you beside me
Hear me when I say girl
You're on my mind
You're on my mind
On my mind on my mind on my mind
You're on my mind
On my mind on my mind on my mind
You're on my mind

And I mean it girl
I ain't too proud to beg
When the feeling starts to hurt
I gotta get you out my head
And we try to see the light
Of a brand new day babe
Love will always win the fight
Come and rescue me tonight

Girl we can find our way babe
Girl I need you loving, girl
Baby hear me when I say girl
Girl you on my mind on my mind
You're on my mind
Girl baby...
You're on my mind...
On my mind on my mind on my mind...
