

View On The Sea

Kemopetrol

Blocking my view on the sea
They're blocking my view on the sea
Building up history
They say it's disgusting here
And time for a change is near
Building up luxury
Beautiful luxury

That's for the rich
Not the poor
All for the rich
They need more
A flat on the shore

Plenty of room for everyone
Seven floor right in the sun
Wouldn't that be fun
Blocking my view on the sea
They're blocking my view on the sea
