

# Heart Beat

Kemuri

Is that what you really wanna do?  
Try to find a difference...  
Does it make you happy when you feel like  
You are bigger than someone else?

The color of my skin  
Does not really define me  
The color of my blood  
Is just like anyone else's

There's no line to separate you and me  
Never been and will never be

My heart keeps on beatin'  
My heart keeps on beatin'  
Like yours, like anyone else's  
I cry when I'm sad  
I smile when I'm happy  
Like you do, like anyone else does

Some say it's just part of human nature  
Some say it will never end  
Segregation and discrimination  
How much more can we accept?

The colors of our skins  
Causing war and hate  
Everybody sees it!  
Not many try to stop it!

My heart keeps on beatin'  
My heart keeps on beatin'  
Like yours, like anyone else's  
I cry when I'm sad  
I smile when I'm happy  
Like you do, like anyone else does

Stop now!  
We say now or never!  
Voice from far East  
Land of the Rising Sun!

Stop now!  
We say now or never!  
Voice from far East  
Land of the Rising Sun!

My heart keeps on beatin'  
My heart keeps on beatin'  
Like yours, like anyone else's  
I cry when I'm sad  
I smile when I'm happy  
Like you do, like anyone else does

Stop now!  
We say now or never!  
Voice from far East

Land of the Rising Sun!

Stop now!

We say now or never!

Voice from far East

Land of the Rising Sun!

Voice from far East

Land of the Rising Sun!
