

Crying Over You

Ken Boothe

When you cry, you cry because you lose someone,
Or because the load you're carrying is too heavy for you,
Right now, I'm crying because the one I love,
Has gone and left me all alone,
I would like to express myself to you people,
So that you can get a better understanding,
Of what I'm trying to say.

Oh, crying over you,
In the morning.
Crying over you,
In the evening.
Crying over you,
Don't know what to do.

You made me feel ashamed, people say,
"It's all in the game."
Woman please, let me explain,
Then I know you'd be mine.

Every day I pray,
To have you and to hold,
Now that you are here, by my side,
I really, really don't want to cry..

Crying over you,
In the morning.
Crying,
In the evening.
Crying over you,
Don't know what to do.

(..)

You made me feel ashamed, people say,
"It's all in the game."
Woman, woman, woman, let me explain,
Then I know you'd be mine.

Then I'll stop crying, crying over you,
And I'll stop sighing, sighing, don't know what to do.
Lying, lying, every day, in my bed.
Sighing, sighing, don't know what to do,
'Cause I'm crying, crying..
