

# Hallelujah

Ken Boothe

Hallelujah, hallelujah  
Hallelujah, hallelujah

Thank the Lord for all the little things  
You have done for me all through the years  
Thank the Lord for all the happiness  
You have given me after all of my tears  
Thank the Lord for all the good things  
That you have taught me along the way

Hallelujah, Hallelujah  
Hallelujah, Hallelujah  
Hallelujah, Hallelujah  
Hallelujah, Hallelujah

Thank the Lord for making the rain to fall  
And the wind to blow my troubles away  
Bless the little children oh play afar  
Let them do good in every way  
Thank the Lord for all the good things  
That you have taught me along the way

Hallelujah, Hallelujah  
Hallelujah, Hallelujah  
Hallelujah, Hallelujah

Thank the Lord for making the rain fall  
And the wind to blow my troubles away  
Bless the little children oh play afar  
Let them do good in every way  
Thank the Lord for all the good things  
That you have taught me along the way

Hallelujah, Hallelujah  
Hallelujah, Hallelujah  
Hallelujah, Hallelujah
