

Look What You Have Done To Me

Ken Boothe

now that you're here with me
i want to keep you free to do the things
that you wanna do
the joy of life is loving you
and now the day has come
to let you know where im coming from

the best of my years will go to you
is the only thing that i can do
but this things them come over not
loving you baby and i know im

but before i go i want you to know
that loving you babe is a way of fact

oh babe look what you've done to me
oh babe you set my heart free

sometime i will read and then i say
it wont make sence no anyway
but forgive me babe if i do wrong
i have been a true man for so long
but let me say before i forget
that loving you its

oh babe look what you've done to me
you set my heart free
