

Black Hearted Lady

Ken Hensley

Reading between the lines I find
You don't mean what you say
You cheated and you lied
And how you made me hurt inside
You turned my days
Into darkest nights
And rearranged my dreams
You're just not what you seem
Black-hearted lady

I am from the land
So you won't understand my grief
I've lived in vain belief
In world of poisoned words
And everywhere I look
I find no answer to my prayer
You're just not there
Black-hearted lady
