

## From Time To Time

Ken Hensley

Once I loved a pretty woman  
'Till one day she up and ran  
Supposed I should have  
Felt it coming  
But it's hard to think of her  
With another man

Oh my lady, I need you  
Though from time to time  
I don't seem to

Once the sun shone in my garden  
'Till my love took off  
And left me with the rain  
Now my heart and I are starting  
To forget it all and start out again

My heart is hurting so bad  
And all the trees look so sad  
And all the love  
We could have had

Oh, from time to time
