

# There Comes A Time

Ken Hensley

There comes a time  
In every mans life  
He just forgets where hes going

There comes a time  
And he'll know just when  
Cause he'll simply stop growing

Without a deep imagination  
Fear and dark will quickly spread  
And it's a hopeless situation  
For that is how it looks  
Inside his head

There comes a time x4  
To make up your mind  
Time to face up to the problems  
Every single day  
Is a part of your life  
And nothing can be forgotten

Time and time and time again  
Who knows where and who knows when  
It can happen anytime  
Then its too late to change your mind

There comes a time x2

Then its too late to change your mind  
There comes a time x4  
To make up your mind  
I believe it is the time  
And now is the time  
There comes a time
