

Mary Ann

Ken Laszlo

Life goes up and down but love will change your mind
Mary Ann, Mary Ann, Mary Ann
You are growing up, he'll look into eyes
Mary Ann, Mary Ann, Mary Ann.
And when you slam the door baby don't let him go
You have to give him a second chance
You cry so many times until you find the truth
Dream about love that will never end.

Cherrie lady Mary Ann, Cherrie lady Mary Ann
He will make all your dreams come true
Cherrie lady Mary Ann, Cherrie lady Mary Ann
Together night and day; and you will be the same.
Cherrie lady Mary Ann, Cherrie lady Mary Ann
He will make all your dreams come true
Cherrie lady Mary Ann, Cherrie lady Mary Ann
He keeps on loving you; we'll never feel so blue.
